WINTER *Wonderland*

AT PAL-O-MINE EQUESTRIAN

DECEMBER 11 - 13, 2026
4:30 - 8:00 PM

Come for the magic.

Discover the mission.

Step into a world of twinkling lights, holiday music, winter decorations, horses and holiday cheer at Pal-O-Mine Equestrian's Winter Wonderland.

Wander through our beautifully illuminated farm and experience festive activities, holiday games and treats, storybook moments, family photo opportunities, visits from the North Pole and, of course, plenty of horses and farm animals.

But the magic of Pal-O-Mine doesn't end when the lights come down.

Pal-O-Mine is a nonprofit dedicated to helping people grow, learn and heal through the extraordinary connection between humans and horses. Our programs serve children and adults with disabilities, survivors of trauma, military and veteran populations, first responders, cancer survivors and others facing life's challenges. And we also offer customized Wellness experiences on our 13-acre farm.

Come enjoy the magic of Winter Wonderland — and discover the work that happens here all year long.

A NOTE FROM THE COVER ARTIST - JEN GAILY:

I've wanted to submit artwork for the Hampton Classic ever since I first attended as a little kid. The Classic has always felt magical to me. Although I never had the honor of competing, I grew up in a "horsey" town and was lucky to be introduced to horses early. I spent countless afternoons at our local tack shop, where I first discovered equestrian illustration and fell in love with the work of James McMullan. I remember studying his posters in awe.

Years later, I had the incredible opportunity to hear James speak about his creative process. I left that talk so inspired and wrote down a goal: one day, I would create something special for the Hampton Classic. That was fifteen years ago! And the Hampton Classic has touched me in a variety ways since then...but I still didn't have the guts to submit until now.

This piece is especially meaningful to me because it reflects my journey with riding and as an illustrator. Riding was THE BEST feeling, but along with excitement and fun, horse shows triggered fear and extreme anxiety...mostly because I didn't have the tools to mentally and physically feel prepared. I wanted to show the ingredients in what it takes to be a high level horse and rider duo, and that the win is sweet and well earned, but enjoying the process, the passion and love that goes into it along the way is the sweetest.

I approached this work as if it were a rider's vision board for the Hampton Classic. Creating this piece has been a joyful, full-circle experience and I hope you enjoy it as much as I loved bringing it to life!

I could easily continue adding so many more details...
