

2025 HAMPTON CLASSIC STATEMENT OF HEALTH

The following requirements and recommendations have been drafted by the management of this horse show in consultation with our show veterinarian and the NY State Division of Animal Industry:

All horses being brought onto the grounds of the Hampton Classic Horse Show must be accompanied by a Statement of Health. As per GR844, at Federation licensed competitions, horse, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with the rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of the following methods mentioned. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administered.

The Statement of Health must be signed by a licensed veterinarian within 7 days of arrival at the Hampton Classic Horse Show:

The following horses have:

1. Been enrolled in a regular and consistent program of vaccination against EHV-4/I with the most recent booster being within 180 days.
2. Not shown symptoms of or been treated for EHV-4/I within the past 28 days.
3. Not been exposed to any horses that have been treated for or shown symptoms of EHV-4/I within the past 28 days.
