

# 2023 HAMPTON CLASSIC STATEMENT OF HEALTH

The following requirements and recommendations have been drafted by the management of this horse show in consultation with our show veterinarian and the NY State Division of Animal Industry:

All horses being brought onto the grounds of the Hampton Classic Horse Show must be accompanied by a Statement of Health.

The Statement of Health must be signed by a licensed veterinarian within 7 days of arrival at the Hampton Classic Horse Show:

The following horses have:

1. Been enrolled in a regular and consistent program of vaccination against EHV-4/1 with the most recent booster being within 180 days.
2. Not shown symptoms of or been treated for EHV-4/1 within the past 28 days.
3. Not been exposed to any horses that have been treated for or shown symptoms of EHV-4/1 within the past 28 days.

<i>Name of Horse</i>	<i>Temperature</i>	<i>Date of Vaccine</i>	<i>Name of Vaccine</i>

_____	_____	_____	_____

**By checking this box, I attest that any horse stated above has NOT been in a VS affected state after August 13.**

**Any horse having been in VS affected states are required to produce health certificates no less than 5 days prior to the start of the competition and must organize specific move-in arrangements with competition management.**

I declare that the horse(s) named above have been in good health, with body temperature below 102°F, eating normally and have shown no signs of infectious disease for the three (3) days preceding arrival at this event. By signing below I affirm that I have the authority to sign on behalf of the Trainer and/or Agent listed above.

Please be mindful of routine biosecurity measures to prevent any potential spread of contagious diseases.

- Avoid nose to nose contact between horses from different stables.
- Avoid shared or communal water buckets.

Please feel free to contact our show veterinarian with any questions.
