**MEDIA ALERT: Hampton Classic announces revised schedule**

**Bridgehampton, NY – Aug. 30, 2021** – The Hampton Classic Horse Show has announced its revised schedule for the remainder of the horse show, August 31-September 5.

The Classic's leadership made the decision to replace the Grand Prix Ring's grass top with sand following Sunday's opening jumper class, which showed there were problems with the footing. Significant changes to the schedule were made to accommodate the time needed to modify and test the new surface. Visit [hamptonclassic.com/time-schedule](http://hamptonclassic.com/time-schedule) for the revised schedule.

"I want to commend and thank our amazing staff and crew for overcoming so many challenges over the past couple weeks," said Shanette Barth Cohen, Executive Director of the Hampton Classic. "I'm so grateful for their strength and dedication."

The Hampton Classic will provide updates as new information becomes available.
